ACKNOWLEDGEMENT BY PATIENT

TO BE COMPLETED BY PATIENT

Patient's label

I acknowledge that any medical treatment received by me at Kingsgrove Day Hospital (the "Hospital") performed by a doctor at the hospital (the "Doctor") will be performed by the Doctor pursuant to a direct engagement between me and the Doctor and not on behalf of the Hospital or the operator of the Hospital, Baydoor Pty Limited ("Baydoor").

I acknowledge that neither Baydoor nor the Hospital is liable to me for the acts or omissions of a Doctor and I release Baydoor and the Hospital for any claim for damages, losses or expenses which I may have at any time against either of them in respect of medical treatment performed by a Doctor.

I have read and understood my Healthcare Rights and the Patient Privacy and Disclosure of Information and give consent for information collection and usage.

I have been informed of hospital fees and I agree to accept full responsibility for accounts rendered by the hospital including any shortfall in reimbursement by my health fund.

I understand the hospital fees given to me prior to my admission is based on the information my surgeon and my health fund (if applicable) has provided the hospital and is therefore an estimate of cost only so it is subject to change according to the actual procedure performed, any prosthesis used, and / or the terms of my private health insurance policy.

I consent to the hospital providing information about myself and my treatment to my private health insurer if I wish to have my insurer pay for the costs of this admission.

I acknowledge that the hospital fees do not include fees charged by other service providers such as, but is not limited to Surgeon, Anaesthetist, Surgical Assistant, Pathology, Radiology or Pharmacy.

I agree to settle all accounts on the day of treatment or within an agreed timeframe.

In case of emergency or if my condition requires unforeseen extended hospital stay, I consent to be transferred to another hospital and agree to bear any additional costs incurred including travelling costs if applicable.

I acknowledge that there may be unexpected delays in admission times and operating schedule due to unforeseen reasons.

I realise that the consequences of eating and drinking before an operation could cause irreversible damage to myself and, if I have done so, I must inform the staff at the hospital beforehand.

Following my surgery, I will have a responsible adult to accompany me home via own transport or taxi and care for me overnight. If I cannot arrange such a person, I will be required to engage a carer/nurse as well as taxi fare to my accommodation at my own expense. I am aware that failure to do so may result in cancellation of my surgery.

I realise that mental impairment may persist for several hours following administration of anaesthesia. I acknowledge that I must not drive a motor vehicle, operate machinery or sign legal documents for 24 hours after the procedure.

I have answered all questions correctly to the best of my knowledge and I have not withheld any information.
